## LINDSAY LOHAN Homeward Bound?

Lindsay Lohan, who's been in a court-ordered treatment program at UCLA since Aug. 2, may be released early from her three-month stay due to a possible misdiagnosis. Doctors reportedly believe that Lohan may have been wrongly prescribed Adderall for ADHD and that her condition wasn't as bad as previously believed.

## TAYLOR'S TIRADES

Taylor Momsen, 17, is no stranger to slamming fellow singers, saying she's not looking to be **Miley Cyrus** ("I don't care about fame") and has no time for **Justin Bieber** ("I don't know who [he] is"). But after a recent rant against **Rihanna** for wearing leather jackets ("It's annoying"), the *Pretty Reckless* rocker finally toned it down: "I was arguing the difference between rock versus pop. ... Rihanna's great."
